CATALOGUE OF THE ADYAR LIBRARY  
(PART III)

सत्यमेव जयते

## PREFATORY NOTE

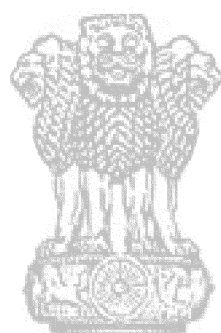

WITH this third part the Catalogue of the Adyar Library is practically complete so far as the English books are concerned. There only remain to be printed some Addenda and the general Index. Both are ready in MS but are held over for the present because of the paper restriction as a consequence of the war. May we soon see the end of the nightmare, and see the world return to peace.
