The present issue of the Statistical Abstract of Andhra Pradesh 1972, is the Sixteenth in the series and contains the latest available data on various items of importance which have a bearing on the Economic Development of the State. I hope that this publication will serve as a useful reference book in general and will be of use particularly to the Administrators and those engaged in Economic Planning and Development.

I thank the various Heads of Departments, both of the State and Central Governments, for their kind co-operation in furnishing the data. Any suggestions for the improvement of this publication are most welcome.
