Fergusson College.
14th March 1895

Dear Mr. Sabin,

R - 504

2-180
We have fixed for
H.E.'s arrival is 5-15th.
(Madras time) & not 5-30,
as I believe I have ~~you~~ to
understand. Mr. Edgerly
writes to say that the Foreman
would get down at Kierke
from the train at 4-45 &
drive straight to our
College buildings & he
therefore suggests this

alteration.

Will you kindly write
& tell us definitely as
early as you can on what
day & at what hour
H. H. arrives here? It
is necessary for us to send
a deputation, consisting
of all life-members, to the
Station, no matter what
the rain might be, to
welcome H. H. on his
arrival. One of us will
on that occasion also say
a few words, with H. H.'s
permission, to thank H. H.

for his cordial & generous
offerings for us.

2-181

I hope you have put
something about Mr. Talbot's
recent contribution to our
fund in H. H.'s speech.

With the excuses
for the trouble, I remain

Yours truly
S. S. Skelton

R. V. Sabers Esq.

H. H. will ~~be~~
arrive at Poona
on the 27th inst. at
