My dear Mr. Robertson, S-18794

I am glad to bring to your kind notice Mr. R. S. Kamble, a Mahar student in the Miss Clarke Hostel here. He belongs to the Depressed Class Community. He has studied up to the -- Matric Examination and I am told he is conversant with several languages such as English, Telgu, Canarese, Marathi, Lamani, Tamil & Urdu. You know I am taking keen interest in the Depressed Class

Class Community and am doing my best for its uplift. It is a matter of great pride for me to see persons of the Depressed Class Community employed in British service of higher grade.

Mr. Kamble has a strong desire to serve in the Police Department and from the above mentioned qualifications it seems that he is in every way fit for the Department. At present he is seeking admission to the Police Training Class at Nasik and I shall be much pleased

pleased if you kindly see your way to help him even by making a special case in securing the admission he is seeking.

Yours sincerely
