We must not lose sight of Santhal Pargannas as the most important Wahabi centre in the province- The Wahabis up country have recently been causing concern and though no enquiries are wanting at present the situation wants watching. There is always the possibility of the Revolutionaries joining up with the Wahabis and using the latter for their own purposes.

File 248  
748 With the up country Branch of the Revolutionary organisation we have so far discovered only one link, that furnished by Bankim  
Flags 22 of Patna who has recently been convicted in the Benares Conspiracy  
" 44 Case. This individual undoubtedly tried to start a Branch Society  
" 3 at Patna but so far as we have been able to discover he failed.  
" W  
Still the facility with which seditious leaflets from time to time  
File 118. make their appearance in Patna and are freely distributed and posted  
71. up, points to there being some disaffected persons in the place who are unknown to us.
