Sir,

I have the honour to draw your kind attention that the journal "Al-Hilal" is being published since 1936 and although it had many ups and downs its present circulation is about 2,700 copies every week. I crave your indulgence to be good enough to order the various Departments of the Government to send us all advertisements that are to be published in Urdu as well as all Government publications that are sent to the Press.

I may be permitted to draw your kind attention to the fact that this is the only Urdu paper that has such a large circulation all over the Province.

Thanking you in anticipation of this favour.

I have the honour to be,
Sir,
Your most obedient servant.
