## SUBJECT—

*Grant of rewards to Vaccinators for good work.**Notes and Orders.*2 *From the Sanitary Commissioner, Bengal,  
No 4898, dated the 27th August 1907.*

THE system of granting rewards to vaccinators was introduced under Government order No. 3533S., dated the 12th December 1904, as an experimental measure for two years with effect from 1905-1906. The sanction therefore expired with the close of the last financial year. In submitting his Annual Report for that year, the Sanitary Commissioner recommended the continuance of the system.

\* File S.  $\frac{1-V}{1}$ , A Proceedings for February 1905, No. 7.

Paragraph 17 of the Report.

The proposal may be sanctioned for a further period of two years.

For orders.

B. M.—4-9-1907.

THE printed notes pages 2 and 3 in A Proceedings for February 1905, No. 7, contain the history of the case. The Sanitary Commissioner recently proposed that the provision of Rs. 1,000 made for the purpose in the current year's budget should be raised to Rs. 1,350 as originally suggested by him. The proposal could not be accepted as the budget had already been passed.

The system may be continued as a permanent measure as suggested by the Sanitary Commissioner.

For orders.

C. C. G.—5-9-1907.

IF Financial have no objection in view of India's recent orders please draft.

J. C. K. PETERSON—5-9-1907.

PLEASE see India's order, No. 148, dated the 18th February 1907. The honoraria are not recurring honoraria. No objection in the Financial Department.

G. G.—6-9-1907.

A. N. B.—7-9-1907.

THESE are not the orders I refer to. Please put up India's orders as to the position of vaccinators.

J. C. K. PETERSON—12-9-1907.

A COPY of India's Resolution Nos. 190-202, dated the 27th November 1906, and their letter No. 89, dated the 10th May 1907, are put up.

E. H. P.—13-7-1907.

## SECRETARY—

Please see Government order No. 3533S., dated the 12th December 1904 and the notes on which it was based.

I submit a draft for approval. I do not think this in any way contravenes India's recent orders.
