STANDING ORDER No 31 OF 1935-36

It has been brought to my notice that certain chiefs are imposing a due of -/4/- in cash or its equivalent in kind as **dawvan-kaina** on purchasers of rice in their respective villages.

This due is neither customary nor approved by Government and it is hereby ordered that no chief is permitted to levy it.

Should there be an actual scarcity of rice in any village the chief is allowed, with the permission of the Superintendent, to prevent the sale of rice to outside villages during a specified period but on no account is the chief allowed to levy **dawvan-kaina** for sale of rice during times of scarcity or plenty.

Disobedience to this order will be severely dealt with.

STANDING ORDER No 32 of 1935—1936.

As it has been reported to me that my order no.
29 of 10. 7. 1935, has been misunderstood or misin-
terpreted by some chiefs the latter are hereby definite-
ly and finally informed that the above Order applied
only to those persons claiming to be vested with sup-
ernatural and miraculous powers and known in Lushai
as **Zawlneis**.

All chiefs are accordingly warned that all Chris-
tian workers whether volunteers or employed by the
Mission preaching the Gospel and holding services
and meetings for the legitimate propagation of Christ-
ianity are not to be interfered with in any way or
prevented from carrying out those legitimate activities
which are approved by the Mission.

Office of the Superintendent, Lushai Hills.

ORDER

Bullock drivers and Bullock cart drivers using the P. W. D. roads are in the habit of feeding their bullocks on the Government road and leave it dirty with fodder and dung etc. The practice must stop at once. The drivers are not allowed to tether their bullock on the road either for feeding or for halting. Any one found violating this will be prosecuted. The P. W. D. staff should report the cases of negligence.
