Office of the Superintendent, Lushai Hills

O R D E R

I have consulted many leading chiefs in the Ai Subdivision and also through the Sub-Division Officer, Lungleh many Lungleh chiefs. Practical all are in agreement that the District will benefit by legalising sale of orange trees by owners on Pemmih from a village.

This order only applies to oranges and to no other produce of any kind. The order is based on a desire to further encourage orange growing, to do justice to the chief while safe-guarding the villager owner.

1. A collection of orange trees exceeding 10 shall be known as a garden and the price of orange trees in a garden is fixed at a rate of 4 annas large or small, the larger being worth much more the younger trees not being worth 4 annas till they are near bearing but 4 annas is a fair all over rate.
2. Owners of gardens must offer their gardens to the chief first at an all over rate of 4 annas a tree.
3. A purchase is only legal if cash is actually paid and receipts given and taken.

No transfer will be recognised unless the above 2 conditions have been fulfilled and any litigation will be based on the assumption that no sale did take place.

4. In the case of all sales the chief is responsible that the Khawchhiar writes any receipt given by a seller for money paid by the chief.

5. No one may purchase a garden without the chief's written permission written if not by the chief, by his Khawchhiar on his behalf.

No sale thus unsupported by a chief's order will be valid and only cash sales are allowed no credit being recognised on any account.

6. If neither the chief nor any-one else wishes or is able to buy the garden the Pemmer will have the option of removing all his trees from his garden any time up till Pawltlak December 31st of the year in which he *Pems* but any trees not removed by the following Pawltlak will lapse to the chief. After the following Pawltlak the late owner may not enter his old garden.

7. In the above transaction it will only be the trees themselves that are saleable, not the land.

8. This order in no way affects orange gardens held under a Pass by owners at Aijal or Sairang or any place in Lungleh Subdivision which the Sub-Divisional Officer, Lungleh considers should be exempt from village control as exercised in the villages.

9. On no account will the practice of any villager in one village owning a garden in another be valid in any court subject to the small period covered by Para (6) above.

A. G. McCall,
Superintendent,
Lushai Hills.

GENERAL NOTICE

A meeting was recently held at which it was decided that there is great scope for Red Cross work in the Lushai Hills and the following ladies and gentleman have been asked or agreed to serve on the executive committee.

Mrs Fell.

Miss Hughes.

Subadar Randhoz Rana, Pensioner.

Pu Makthanga chief of Aijal.

Pu Kawlkhuma Adjutant, Salvation Army.

Pu Paohlunga Lushai—Commerce.

Pu Laklailova 2nd Clerk, Civil Surgeon's Office.

The Office bearers of the Lushai Hills Red Cross Society are :—

Superintendent, Lushai Hills, Honorary President.

Rev. Lewis Evans, Honorary Vice President.

Dr. Gloria, Civil Surgeon, Honorary Secretary.

Rev. David Edwards B. A., Honorary Assistant Secretary.

Mr. Kevichusa Angami B. A., Honorary Treasurer.

The object of this Red Cross Society is to meet the needs of all humanity irrespective of their community in the direction of welfare and hygienic uplift generally.

Four-fifths of all collections given by local gentlemen will be spent directly on local needs and requirements while one fifth only will go to the Assam Provincial main branch of the Red Cross Society.

return for such contributions made the Lushai Hills branch in time of dire distress such as Earthquake, famine or pestilence will be in a position to enlist financial assistance provided we have proved ourselves to be a Society whose members believe in making a real live movement of our District branch with the object of relieving the suffering of the poor and spreading that enlightenment which will bring comfort and relief to those who are in need.

In the name therefore of the Lushai Hills District Red Cross Society Committee I request the real practical and earnest co-operation of each and every lady and gentlemen who has at heart the earnest desire to see the spread of welfare and relief amongst the needy in our midst.

It is requested that all who are in a position to enlist as members of this humanitarian and world wide movement will do so by sending their names to the Honorary Secretary together with a statement of the annual sum the member is in a position to make remitting this subscription by December, at the latest, yearly to the Honorary Treasurer Mr. Kevichusa Angami B. A.

To be registered as a full member it is necessary to agree to subscribe at the rate of Rs 12/- per annum, but to the majority of Lushai citizens I would suggest that they enrol as Associate Members which they

will become on payment of Re 1/- to Rs 5/- according to their wish annually.

The success of this movement will depend upon the number of the supporters, so to those who are clearly unable to enlist as Members or Associate Members I request that they signify their agreement to support the movement by an annual subscription of from 4 annas to 12 annas.

To the chiefs of villages, all of whose inhabitants will from time to time no doubt come within the sphere of benefit of the Society, I request that they enrol as Associate Members on an annual payment of Re 1/- to Rs 5/- according to the richness of the village payable by December annually.

Any member of the Committee or any Office bearer will gladly explain to any-one interested the objects and aims of the Society in greater detail.

It is contemplated that weekly lectures be given on Nursing.

First Aid.

Baby welfare.

Homely sicknesses.

Clothing hygiene.

Hygiene.

Hygienic cooking.

Evils of parasites and insects.

and many other matters of intimate interests to each and every individual.

The lectures will mostly be open to the public in general and all will be cordially welcomed.

It is particularly requested by the Committee that all those who are at present regular subscribers should in future kindly send their contributions to the Local District Society Treasurer.

A. G. McCall,
Superintendent,
Lushai Hills.
